## SCHOOL DISTRICT

OFFICE OF THE SUPERINTENDENT

Tim Cain, Director  
Arkansas Division of Public School Academic Facilities and Transportation  
One Capitol Mall Suite 4D-200  
Little Rock, AR 72201

Dear Mr. Cain,

Pursuant to Ark. Code Ann. 6-21-816 (d) the Little Rock School District requests a waiver for the former David O'Dodd campus located at 6423 Stagecoach Rd., Little Rock, AR 72204. The facility is no longer needed for school purposes and has been designed unused.

The district would sell this property prior to the expiration of the two-year period required in statute if no public charter school has claimed a right of access or right of first refusal. The David O'Dodd campus has not been designated in the master plan to be reused, renovated, or demolished as part of a specific committed project or planned new construction project.

The Little Rock School District believes that a public charter school would not be interested in leasing or purchasing the unused or underutilized public school facility.

Please let us know if we need to provide any further information to your department concerning this campus.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael Poore", is located below the "Sincerely," text.
